I suppose I shouldn't worry about it,
but even so..

"When was the last time you did it?"
"I did it this morning."
..Was he the one she did it with?
I asked her a lot of questions, but I just couldn't ask that. Duh, right?
WHAT AM I THINKING?
C-COME ON IN.
I'M COMING IIIN!
.....

I can't seem to relax.
N-NOTHING.
WHAT?
I'm a virgin,

so I have no idea how men make love to women...
how they have sex with them.
"I did it this morning."
"When was the last time you did it?"
Haaa
BITE

I can't really stand to meet him.
Hmmm
WHERE SHOULD I GO?

I didn't get a good look at his face before.

I didn't want to see it
"When was the last time you did it?"
"I did it this morning."
CLENCH
I wanted her to think

...Geez, I'm just like a dirty old man.
SOB SOB SOB SOB SOB WAHHH!
That's why yesterday I went out of my way to—
that doing it with me was way better.
Something's wrong with me.
CHATTER CHATTER CHATTER CHATTER

THIS IS NICE.
Oh,

IT SUITS YOU, IT SUITS YOU.
Yeah
Let's come back
FIRST THING IN THE MORNING.
THERE'S A SALE STARTING TOMORROW.

I'M GETTING THIS ONE.
By the way
I'M GONNA GET IT SOMEHOW!

Guess there's nothing for it. I came late.

SO I'M GLAD.
THANK YOU, TOO.
SURE
Y-YEAH.
IT REALLY IS FUNNY.
That coincidence.
Does it suit me?
Pure?
It does. It does.

That's not the problem.
Is it hard to bite because it's so flat?

Cover that up.
...THAT'S RIGHT.
I'M WEIRD. I'M STRANGE.
For ACTING COMPETITIVE.
Huh..?

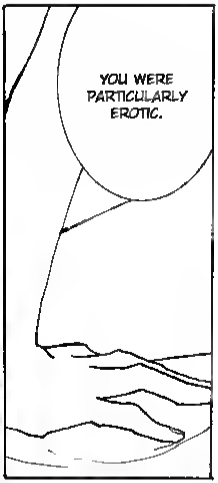
Really? Was that why?
Why are you hiding?
NOT THAT YOU AREN'T ALWAYS,
BUT YOU WERE REALLY SEXY AND CUTE LAST NIGHT.

HEHEHE
DON'T SAY STRANGE STUFF.



YOU WERE PARTICULARLY EROTIC.

...
YOU'RE MAKING ME REMEMBER IT.

LICKING IT ISN'T ENOUGH TO MAKE IT ALL BETTER, IS IT?

LICKING— DOING THIS—
ISN'T ENOUGH TO MAKE MY PAST GO AWAY EITHER, IS IT?

WHAT MADE ME REALIZE MY FEELINGS
...IT DOESN'T HAVE TO GO AWAY.

The Woman Who Got Bitten

(Printed in a doujinshi in August 2005.)

This was the first girl-girl romance manga I ever did. I've been thinking that though there are personal preferences when it comes to physical and mental desire, maybe we don't discriminate much based on gender. I feel like I drew the story based on that idea.
These characters actually do have names. Miwako-san and Rika-chan.

Melting Ice

(Printed in a doujinshi in November 2005.)

I was going to show them getting intimate in the original story, but chickened out at the time. So I tacked this story on later. ...It's a little late to mention this, but it's an awfully erotic title, isn't it? I have other ideas for girl-girl romances that I'd like to do too. I want to draw more stories with that theme sometime.
